

PREDICTING EXECUTIVE PERFORMANCE

and Getting it Right!

At Right Management we help organisations around the world build stronger leadership capability by identifying, selecting and developing senior/executive talent. We use assessment methodologies proven to get the right candidate-fit for the organisation and we create a high impact experience for the individual.

EXECUTIVE RECRUITMENT CHALLENGES

LEADER IDENTIFICATION

MORE THAN half of new employees FAIL

A bad hire typically costs 150% of their annual salary

LEADER DEVELOPMENT

13% believed their organisation has an ample internal leadership pipeline

AND IN 40% of companies, leaders are perceived to be unprepared to meet future business challenges

ASSESSMENT SOLUTIONS

EXECUTIVE ASSESSMENTS
